## Terms Cost Calculation

The Tawaroq terms cost is calculated on the payment due date, on the unpaid balance.

Example:

If the Cardholder has his/her billing statement generated on the 15th day of each month and the Cardholder does the following transactions between the period of 15th November and 15th December in a year.

- Retail purchases for SAR 7,000 on 20th November
  - Cash withdrawal for SAR 5,000 on 10th December + SR75 cash advance fee
- Assuming there is No Previous Balance carried forward from the 15th November statement, the Cardholder will get his/her 15th December statement showing SAR 12,075 worth of transactions. The Cardholder needs to make payment

against the outstanding within a grace period of 21 days from the Statement Date, for anything between the entire amount or 5% of the total amount outstanding.

In case the balance outstanding on the statement date is paid in full by the payment due date, No Tawaroq terms cost is charged on such balances.

In case a payment of e.g. SAR 3,600 is received on the 6th of January for the account, the monthly Tawaroq terms cost is calculated as follows:

Tawaroq terms cost charged in December Statement = Zero

Tawaroq terms cost charged in January Statement =  
(SAR 12,075 - SAR 3,600) X 2.5% = SAR 211.88

## Margin on Foreign Transactions

A margin up to 2.75% is charged on the Foreign Transactions, including ones paid in Saudi Riyals, made with your Samba Credit Card. The conversion from Foreign currency to Saudi Riyal is done by the respective schemes that are VISA / MasterCard as per their prevailing rates for that day. Following example applies to POS and other to Cash Advance transaction:

### International POS transaction:

Transaction Amount: 100  
Transaction Currency: A  
Conversion Buying Rate from currency A to SAR: 4.5  
SAR Amount = 100 X 4.5 = SAR 450  
Foreign transaction margin = SAR 450 X 2.75% = SAR 12.38  
Total transaction sales amount = SAR 462.38

### International Cash Advance transaction:

Transaction Amount: 100  
Transaction Currency: A  
Conversion Buying Rate from currency A to SAR: 4.5  
SAR Amount = 100 X 4.5 = SAR 450  
Foreign transaction margin = SAR 450 X 2.75% = SAR 12.38  
Cash Advance fee = SAR75 + 3.75 VAT  
Total transaction sales amount = SAR 541.13
